50 Elite Military Service Members to Compete in 2nd Annual Military Combine at AT&T Stadium

At Caliber, we're *Inspired To Serve* - our customers, our teammates, our clients and the communities we live and play in. We have a special place in our hearts for U.S. military services and veterans who protect and serve our great nation. We are actively involved with numerous organizations throughout the U.S. who serve both active military members and veterans and nominate the recipients to the more than 150 vehicles Caliber has gifted to military families over the past five years.

With this in mind, we are excited to announce our 2nd Annual Military Combine Finals on Saturday, March 31st at AT&T Stadium in Arlington, TX, home of the Dallas Cowboys, from 1pm-5pm.

The Caliber/Cowboys Military Combine is a one-of-a-kind event designed to honor military athletes by comparing their performances on NFL Combine events that college athletes take part in prior to entering the NFL Draft this April.

This year's Caliber/Cowboys Military Combine will not only include performances from 50 elite military athletes, but also feature 25 of Caliber's top military service organization partners working every day on behalf of our American military heroes and their families.

Open to Public, Free Admission to AT&T Stadium

The public is invited to attend the Military Combine to cheer on and support the military athletes as they compete. Attendees will have the opportunity to enjoy:

- Access to the AT&T Stadium Field for family friendly activities
- Meet and get autographs from Dallas Cowboys alumni.
- Meet and greet the Dallas Cowboys cheerleaders
- Entertainment and photo ops with Rowdy.

A highlight of the day's activities will be the unveiling and presentation of four cars to veteran families in need of reliable transportation. The four vehicles being gifted at the Caliber and Cowboys Military Combine were donated by USAA and repaired by Caliber teammates who volunteered their time as a way to give back to the military community.
