Caliber Collision Opens New Collision Repair Center In Houston Region

Caliber Collision Center Opens In Growing Tomball, TX

LEWISVILLE, TX – August 18, 2014 – Caliber Collision Centers announced today that their continued expansion in existing and new markets has resulted in the opening of a new location in the greater Houston area.

Caliber Collision's new Tomball location, with over 15,000 square feet of space, opened for business today at 28310 State Highway 249, in Tomball, Texas.

Caliber's newest facility is conveniently located in the growing Houston market and employs the latest innovations in collision repairs with 19 service bays, two heated paint booths and more than 30 parking spaces for Caliber's customers and partners.

"Today's Tomball opening allows us to restore even more Houston-area customers to the rhythm of their lives, as we deliver on our commitment to expand customer choice while providing industry-leading metrics in every market we serve," said Steve Grimshaw, Caliber Collision Centers' Chief Executive Officer.

News Release

“Our new Tomball center brings Caliber Collision’s total number of Texas locations to 63 and 182 across the Caliber network as we continue to grow into the collision repair provider of choice in the eight states we now serve,” added Mark Sanders, Caliber Collision Centers’ President and Chief Operating Officer.
