Caliber Collision Opens 600th Location

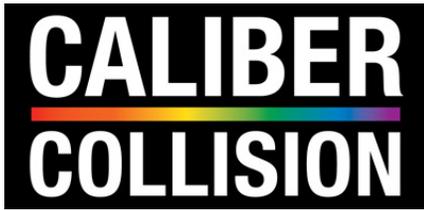

Newest Center for Largest Collision Repair Company Located in Virginia Beach

LEWISVILLE, TX (August 22, 2018) – Caliber Collision, the largest collision repair company in the U.S., celebrated a major milestone in the company’s history with the opening of its 600th location in Virginia Beach, Virginia on Wednesday, August 22nd. Caliber’s 600 centers are located across 19 states and the District of Columbia.

“The continued growth of our company is a direct result of the dedication of our 12,400 teammates to restore the rhythm of life for our customers, teammates, partners and communities across America,” said Steve Grimshaw, Caliber Collision Chief Executive Officer.

“Their commitment to consistently exceed customer expectations is what fuels our continued growth across the U.S. as we become the collision repair provider and employer of choice in every community we serve,” said Grimshaw.

Caliber’s commitment to the community includes programs like their Rhythm Restoration Food Drive, which annually raises millions of meals to feed children during summer months. In the past seven years, Caliber has collected more than 14 million meals for kids.

News Release

Through its Recycled Rides™ program, Caliber teammates donate personal time to repair and gift vehicles to families in need of reliable transportation. With the support of their local partners, Caliber has gifted more than 250 cars to primarily, active military and veteran families, across the U.S. over the past six years.

As part of the company's commitment to support military service members, Caliber operates its Changing Lanes program in three U.S. markets, the first and only educational program that provides soldiers transitioning from active duty to civilian life with no-cost training for a rewarding career in the collision repair industry.

"We are proud and humbled to reach this 600th location milestone, and would like to thank our customers, clients, partners, and teammates who have all contributed to the continued success of our company," said Mark Sanders, Caliber Collision President and Chief Operating Officer.
