

**Giving Back to Those in Need Across the Communities We Serve:  
Caliber Continues 'Restoring You' With a Virtual Food Drive to Alleviate Childhood Hunger,  
in Partnership With Local Food Banks Nationwide**

**LEWISVILLE, TEXAS (Oct. 12, 2020)** – Living its purpose of [Restoring the Rhythm of Your Life](#)<sup>®</sup>, Caliber, with its portfolio of automotive services brands (including [Caliber Collision](#), the nation's largest auto collision repair company), is holding its ninth annual 'Restoring You' Food Drive virtually this fall, benefiting 72 local food banks across the country.

Caliber, which encompasses [Caliber Auto Care](#) and [Caliber Auto Glass](#), in addition to Caliber Collision (with 1,173 centers across 33 states), is committed to helping alleviate childhood hunger by supporting food bank services that are now in more demand than ever. In turn, these programs serve children who are at even greater risk of food scarcity and rely on subsidized meals. Caliber is facilitating donations online, which can be made today through Nov. 30 via [ryfooddrive.com](#). Donations also can be made through point of sale at checkout in Caliber centers or by scanning a QR code.

"It is clear that our local food banks are experiencing heightened demand," Steve Grimshaw, CEO of Caliber, said. "We have seen communities banding together during this challenging time, yet we recognize that there is a greater need to continue closing the gap on childhood hunger. Every year, millions of kids go hungry and this year has been harder than ever, and we are asking our communities to help us fill local food banks in order to alleviate childhood hunger."

In the past decade, Caliber teammates, customers and partners have come together to donate more than 20 million meals to local food banks. As food banks are experiencing an increased demand for food supplies due to the current environment, Caliber's virtual food drive aims to supply food banks that serve the most vulnerable children in communities nationwide.

"At Caliber, our purpose is to Restore the Rhythm of Your Life<sup>®</sup> for our teammates, customers, partners, and the communities we serve," Grimshaw said. "We are equally committed to restoring the rhythm of regular meals for at-risk children throughout our communities."
